

Inclement Weather Policy

The Little Lions Club follows the rules and guidelines set in place by the Virginia Youth Soccer Association in accordance with Virginia Parks and Recreation guidelines available on Virginia.gov.

Inclement Weather Policy

The following weather conditions are considered “inclement” and will lead to class cancellation and postponement to another date.

- Thunder, lightning, or heavy rain
- Snow, hail, or icy road conditions
- Natural disasters to include but not limited to; hurricanes, tornadoes, earthquakes, flooding, wildfires, etc.
- AQI (Air Quality Index) over 100 (level at which air quality is unhealthy for sensitive groups i.e. asthmatics)

Thunder Delay: In the event that a Little Lions Club Coach or a School/Facility Staff member hears thunder, class will be delayed 30 minutes with all players, coaches, and staff returning inside the building. Each additional “clap of thunder” will re-start the 30 minute window.

Hot Weather Policy

The following weather condition(s) are considered dangerous and will lead to class cancellation or postponement to another date.

- Heat Index of 101° (Real Feel, not temperature) : Legal Limit is 103°
- Little Lions Club will adjust to meet School/Facility standards but *will not exceed* the limitations listed above.
- Additional and/or extended water breaks are offered once the temperature exceeds 90°

Cold Weather Policy

The following weather condition(s) are considered dangerous and will lead to class cancellation or postponement to another date.

- Cold Index of 32° (Real Feel, not temperature) : Legal Limit is 32°
- Little Lions Club will adjust to meet School/Facility standards but *will not exceed* the limitations listed above.

Cancellation Protocols

In the event of Inclement Weather the Little Lions Club will communicate directly with the School/Facility impacted. The Little Lions Club will defer to each School/Facility on the appropriate way to contact impacted families.
